

Leonid Lashchenko, Judith Harris-Frisk & Kathy Kumpula PHF Recognitions

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. The Rotary Foundation supports this mission through projects that impact lives close to home and around the world. The Foundation is a not-for-profit public organization that is operated exclusively for charitable purposes, is governed by a Board of Trustees and is supported solely by voluntary contributions from Rotary members and friends of the Foundation who share its vision of a better world.

Paul Harris Fellow recognition is extended to any individual who contributes, outright or cumulatively, \$1,000 or more to the Annual Fund, or PolioPlus, or as sponsorship of a portion of a Foundation grant. Rotarians also have a tradition of supporting the Foundation by honoring others, and to recognize someone else as a Paul Harris Fellow, that amount can be given in their name. The recognition is named after Paul Harris, the founder of the Rotary movement, and the recipients receive a certificate and a special pin or medallion. Today, Curt Groninga is contributing his Rotary Foundation donations to sponsor Paul Harris Fellow awards for three individuals who have demonstrated exceptional service to Ukraine and to the world community and which embody the ideals of Rotary.

Today the Rotary Club of Santa Rosa is honored to award Paul Harris Fellow awards to Leonid Lashchenko, Judith Harris-Frisk & Kathy Kumpula for their exceptional service to the international community. These individuals embody Rotary's ideal of service above self.

Please stand and join me in recognizing their contributions and Paul Harris Fellow status.
